Brief Summary: The current set of contracts are set to expire on 03/26/2019 and the extension of the current contracts through April 30, 2019 is requested to allow for completion of a solicitation process and establishment of new contracts, as the State is currently in the midst of awarding a new contract set.

However, due to the nature of the services provided, the continuation of these services is crucial to ensure accessibility for the State of Arizona clients and state employees, but also support Eligible Agencies in complying with the provisions of the Americans with Disabilities Act (ADA).
